

Your Training & Development Solution

Designed to maximize engagement and productivity through personal and professional development.

This **additional benefit** is designed to meet the needs of organizations focused on improving employee learning, professional development and engagement.

The online Knowledge Center is powered by Skillsoft, the world's leading provider of online personal and professional training.

The program is supported by a dedicated Peak Performance Consultant to direct you in finding the trainings or training schedule to maximize your employee development and engagement. This level of quality training is almost always prohibitively expensive for most mid-size employers, but ESI makes it an affordable solution.

HR Managers can access a Peak Performance Consultant by calling 800.535.4841 Ext. 101

Access to the Peak Performance Plus Knowledge Center is available to employees 24/7 simply by clicking on the Employee and Family login at www.theEAP.com and choosing the Knowledge Center tile.

Peak Performance Plus Includes:

- ✓ Over 220 state-of-the-art personal and professional development trainings.
- ✓ Most trainings include tests to evaluate understanding as well as certificates of completion.
- ✓ A dedicated Peak Performance Consultant to direct you in finding the trainings or training schedule to maximize your employee development and engagement.
