As an educator, you face unique challenges...

Today, educators face special challenges – budget cuts, students at risk, parental issues. In addition to these on-the-job stressors, you juggle the challenges of personal and family issues.

Usually, we can handle problems on our own, but sometimes it makes sense to reach out for help.

Higher Ed EAP provides the benefits and solutions to help you and your family deal with virtually any personal issue you may encounter. In addition, we provide the resources you need to deal with professional issues. We’re the only EAP specifically designed to address the unique challenges faced by educators.

And because your employer has covered the entire cost of services, there is no cost to you.
