Your Voice Matters to Us!

Thank you to everyone who participated in our 2024 client survey! Here are some highlights:

- 91% of respondents were satisfied with the range of benefits offered.
- 93% of respondents felt the benefits were extremely important to their organization.
- 82% of respondents agree that the Online Training Center is valuable to their organization.

We appreciate your feedback to help us improve our benefits and services.

★ EAP Highlight

Introducing the EAP Collaboration Corner!

We're excited to announce the upcoming launch of our **EAP Collaboration Corner**—a recurring feature in this bulletin where we'll spotlight the creative and impactful ways our clients are promoting their Employee Assistance Program (EAP) within their organization. From creative campaigns to hands-on engagement strategies, each edition will showcase initiatives that are making a difference in the workplace.

Have a great idea? Please share it with your dedicated account executive and your idea could be featured!

Stay tuned—your next great idea might be just one story away!
